

*Roasted to
Delicious Perfection!*

Kenny Rogers ROASTERS is a chain of chicken-based restaurants founded in the United States of America by country musician, Kenny Rogers and Kentucky governor, John Y. Brown Jr.. The two's love for good food brought them together. In 1991, they opened the first Kenny Rogers ROASTERS in Coral Springs, Florida.

Today, Kenny Rogers ROASTERS is celebrated around the world for our 'Deliciously Healthy' food especially our rotisserie roasted chicken complemented with a rich variety of hot and cold side dishes as well as Kenny's homemade muffins.

With more than 30 years providing the best service and a full menu of amazing food choices, we are proud to be the favorite choice restaurant in Qatar and across the globe.
